

Tansi/Hello,

It has been an exciting Summer here at McMurray Métis Local 1935 and we are keeping our spirits high as we head into fall. From boating up the rivers with Len to harvesting vegetables out of our garden with Sherly, and bidding farewell to our Summer Students, August proved to be another successful month.

A highlight was the 20th annual **McMurray Métis Infinity Golf Tournament**. It was a beautiful day on the course, and we raised a record of over \$200,000 for our Bursary Program! Thank you to everyone who supported the tournament!

Applications for the Bursary Program for students heading into the Fall 2020 semester are open till **Friday, September 4**. Visit our website to fill out the application. For students attending the Winter 2021 semester, applications will be open from December 4, 2020 till January 4, 2021.

We are pleased to announce that we have signed a historic **long-term relationship agreement with Suncor**, that marks the beginning of a renewed relationship based on the principles of mutual respect, communication and ongoing engagement. On August 26 we celebrated the agreement by gathering with the Suncor Leadership Committee at a traditional Métis space along the Clearwater River and then met at our grounds after to watch our Summer Students raise a teepee. Check out our **Youtube video** to watch the recap from the day!

Hope to see many of you at our big historic announcement tomorrow! Dress warm.
